70CH w/ Dovetail Option

- 70CH comes in 83" width and in lengths of 16', 18', and 20'
- Approximate Carrying Capacity ranges from 5,040# - 5,190# depending on length

An Angle-Iron frame coupled with dovetail option provide a low profile deck height to easily load cars and light duty equipment. Also great for ATV's lawn mower's and small tractors.

30SA / 35SA

- 30SA comes in 60" width and in lengths of 8', 10', 12', and 14'
- 35SA comes in 77" width and in lengths of 10', 12', and 14'
- Approximate Carrying Capacity ranges from 1,800# - 2,300# depending on length
- 15" Tires (5 bolt)

Width options provide versatility to haul just about anything you need for heavy lawn and garden use, which include large mowers and large ATV's. Also offered in the special 83" width option for the 35SA. Consumers can add after-market wheel chock for econo-style Motorcycle Trailer.

35MC

- 82" x 10' Single Axle Motorcycle Trailer
- 1,700# Approximate Carrying Capacity
- 2" Coupler
- 15" Tires (5 bolt)
- Chrome Wheels
- Steel Floor
- Torflex Axle

Flip-up wheel chocks and diamond plated floor make this the ultimate 3-place motorcycle hauler. A 50" wide slide-out ramp also allows the 35MC versatility to haul ATV's and small mowers.

60CH

- 83" width and in lengths of 14' and 16'
- Approximate Carrying Capacity ranges from 4,300# - 4,400# depending on length
- 2" Coupler
- 15" Tires (5 bolt)

An econo style car hauler, the 60CH is great for autos, small tractors, ATV's and side-by-sides. Tie-down pockets down each side allow for multiple places to secure cargo.

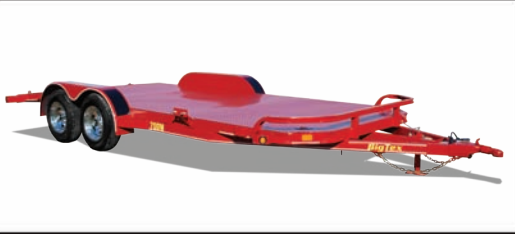

70CH

- 83" width and in lengths of 12', 14', 16', 18', and 20'
- Approximate Carrying Capacity ranges from 4,800# - 5,300# depending on length
- 2" Forged Coupler
- 15" Tires (5 bolt)

With a fold-back tongue and teardrop fenders, the 70CH is built to work. This versatile trailer can be used for autos, small tractors, ATV's, side-by-sides and numerous other applications.

70DM

- 83" width and lengths of 18' and 20' • Approximate Carrying Capacity ranges from 4,600# - 4,700# depending on length
- 2" Forged Coupler
- 15" Tires (5 bolt) • Chrome Wheels • Steel Floor

The 70DM is the premier car hauler in the Big Tex line. Chrome wheels, a steel floor, and diamond plate rear slide out ramps make the 70DM easy to use as well as easy to look at. The box tubing frame gives the trailer added strength and durability.

10CC

- 83" width and standard lengths of 16' and 18' • Approximate Carrying Capacity of 7,500#
- 2-5/16" Forged Coupler • 15" Tires (6 bolt) • 2" Tubular Stop Rail

Econo style trailer with slide in ramps and rear stabilizer stands make this trailer the perfect car carrier / entry level equipment hauler.

10ET

- 83" width and in lengths of 16', 18', and 20'
- Approximate Carrying Capacity ranges from 7,500# - 7,690# depending on length.
- 15" Tires (6 bolt)

Length options and flat deck provide versatility to haul light to medium duty equipment, trucks and small tractors.

12ET

- 83" width and in lengths of 16', 18', and 20'
- Approximate Carrying Capacity ranges from 9,300# - 9,420# depending on length
- 16" Tires (8 bolt)

Length options and flat deck provide versatility to haul light to medium duty equipment and small tractors. 6,000# axles give the 12ET added weight capacity.

14CC

- 83" width and standard lengths of 16' and 18' • Approximate Carrying Capacity of 11,200# - 11,400# depending on length
- 2-5/16" Forged Coupler
- 16" Radial Tires (8 bolt) • 2" Tubular Stop Rail

Heavy duty equipment / car hauler. Slide in ramps and rear stabilizer stands make this trailer the perfect car carrier / entry level equipment hauler.

20AC

- 102" X 51' Tandem Dual Gooseneck Auto Transport • 12,200# Approximate Carrying Capacity
- 2-5/16" Adjustable Gooseneck Coupler • 16" Radial Tires (Tandem Dual Wheels / 8 bolt) • L.E.D. Lighting • 9,000# Winch

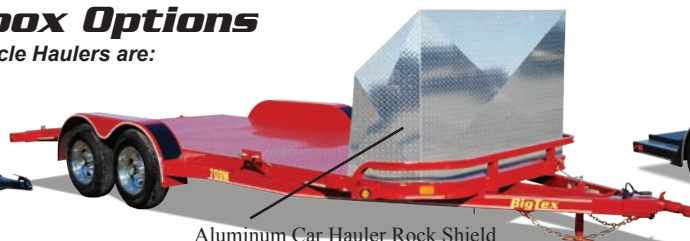

The wedge-style 20AC is a great multiple car hauler built with the professional in mind. The tandem dual wheels offer a much safer alternative for the consumer versus traditional triple-axle car haulers. A multitude of additional features such as tool boxes, rubrail & stakepockets, straps & ratchets, and a 9,000# winch make the 20AC extremely convenient for the end user. A center mounted ball tower track and (4) trailer transport dual ball towers also allow for the 20AC to transport trailers as well.
